SUBJECT: Release of Manufacturer Discount Program Quarterly Invoice File
Layouts and 2025 Updates to Coverage Gap Discount Program Quarterly
Invoice and Dispute File Layouts

The Centers for Medicare & Medicaid Services (CMS) is announcing the release of file layouts for
the Manufacturer Discount Program's (Discount Program) sponsor and manufacturer invoice detail
(data), summary, and tracking reports. The file layouts, while similar to the equivalent Coverage Gap
Discount Program (CGDP) report layouts, reflect the inclusion of the additional data elements that
were announced in the November 17, 2023, memorandum titled "Medicare Part D Manufacturer
Discount Program Final Guidance." The layouts can be found on the Part D Information for
Pharmaceutical Manufacturers website and will be effective for the 2025Q1 Discount Program quarterly
invoice cycle.

- Contract Data Report (MDPCD)
- Contract Summary Report (MDPCS)
- Manufacturer Discount Tracking Report (MDPTR)
- Manufacturer Data Report (MDPMD)
- Manufacturer Invoice Report (MDPIN)

CMS is also releasing file layout changes for the CGDP quarterly invoice and dispute reports. In
the April 18, 2023 memorandum, "New 2025 Prescription Drug Event (PDE) File Layouts
(FINAL)," CMS released updated Prescription Drug Event (PDE) file layouts that are effective
beginning January 1, 2025 for all Dates of Service. To reflect the relevant changes to the PDE file
layouts for the remaining CGDP invoice and dispute processes, it is necessary to make updates to
the invoice and dispute file layouts. The updated CGDP file layouts are available on the TPA
website at https://www.tpadministrator.com/ under the Invoices tab and the Disputes tab, and each
Report Name below is hyperlinked to the applicable webpage.

The new file layouts for the following CGDP data and tracking report files will take effect
beginning with the 2024Q4 CGDP invoice cycle, to be distributed in January 2025.
